

# R.A. Daffer Church Organs, INC.

ESTABLISHED 1977

**RODGERS**  
RISING UP

Congratulations to  
R. A. Daffer  
489

"The new Rodgers custom 489 recently installed at First UMC in Salisbury, NC replaces a 1980 3 manual 53 rank Schantz pipe organ. The Schantz had a new control system installed in 2008 along with all new reed pipes. The control system developed many problems over the years and parts that were needed to repair it were no longer available. Additionally, the new reeds were so loud that if used they dominated the ensemble of the organ rendering them unusable. The church decided in 2023 to abandon the pipe organ and the decision was made to purchase a new Rodgers Infinity 489 with a two-tone finish, moving drawknobs, and 24 channels of audio. Joshua Starnes serves at Director of Music and Organist. Al Murrell of R. A. Daffer Church Organs was responsible for this sale and Dave Yoder did the voicing".

--Al Murrell
